**FEES:** My Voice Music offers our summer camps on a “pay what you can afford” basis. Our rock band programs cost \$125 per student to run. We will not turn away a student based on financial means, but appreciate your payment of any amount towards our program costs.

**REGISTRATION:** Registration and fees are required for participation in any My Voice Music activity and must be completed before programs begin.

**FULL OR RESCHEDULED PROGRAMS:** Our classes must meet minimum and maximum enrollment standards. If you have registered for a full class or a class that must be cancelled, you will be promptly contacted and offered a refund or a different class. All program times are subject to change. Students registering for a program that is rescheduled will be notified prior to the beginning of the first class.

**PARENT/GUARDIAN RESPONSIBILITIES:** Parents and guardians are solely responsible for taking their children directly to designated My Voice Music Instructors, as well as picking their children up directly from My Voice Music Instructors.

**STUDENT RESPONSIBILITIES:** The study of music can be a rewarding experience. It offers a unique opportunity to develop self-expression, artistry and discipline. It allows us to create something larger than ourself. In order to make good progress in My Voice Music’s programs you will need to do the following: attend all programs regularly and be on time; talk to your teacher about your goals and how to achieve them; be willing to try new things; enjoy yourself and remember to take pride in being a student of music.

## Rock Band Camps:

*A fast-paced introduction to music and performance **available to individuals with or without musical experience** that explores what it takes to be in a band!*

- Students may **learn to play the drum-set, guitar, keyboards and to sing** while developing musical concepts of time, tone, pitch and rhythm.
- Participants work with experienced volunteers and staff in order to **write their own song!**
- Youth learn about the recording process while **they record their own music** with help from teachers and volunteers.
- Students are encouraged to **use music and poetry to express themselves while jamming, singing and writing lyrics**. They **work together as a band** to choose musical styles, instrumentation, lyrical content and while rehearsing and performing. We ask all youth to bring a positive attitude and a willingness to try new things.
- **My Voice Music provides all instruments** for youth to use during our programs. If a student already has an instrument, they may bring it to class, though we ask that they show up early to tune and set-up. If youth do not have access to their own instruments to practice with at home, My Voice Music may be able to provide them with an instrument through our loan program, *subject to availability*.
